2024 Batch C PCMs are encouraged as a matter of priority to be immunized against cerebrospinal meningitis before reporting to camp.

PCMs are not allowed to come into the camp with vehicles, motorcycles and bicycles.

With effect from the 2018 Batch 'C' Service Year, National Diploma (ND) certificate will be presented with other relevant documents by prospective corps members of Mono/ Polytechnics as precondition for registration.

Pls note: You cannot apply for DOB (Date of Birth) Correction after you have been documented in CAMP.

Also note that your Graduation Date, Date of Birth and Course of Study are going to appear on your Certificate of National Service.

Ensure that the above are correct before documentation in CAMP.

Ensure you print your green card slip, sign it And bring it to camp. It Is compulsory for registration in camp
